

# II CORINTHIANS

## Background Information

### Am I Carnal?

#### **Author**

Paul (II Corinthians 1:1)

#### **Date**

54-57 AD (Written from Ephesus)

#### **City**

Roman capital of the region. Called Achaia by the Romans

Much of the commerce between Rome and the east passed through its harbor.

It hosted the Isthmian games held every two years.

There were 200,000 citizens and ½ million slaves at its height.

Paul's first visit was on his second missionary journey (Acts 18)

#### **Church**

The following people (in addition to Paul) had some influence on the church: Timothy, Apollos, Titus, and others

There is a book written to them which we do not have.

This was the most carnal church in the New Testament time.

As late as 97 AD there was still much division in the church.

Paul was heart broken over having to write this letter (2:4)

Weekly memory verse – II Corinthians 9:7

Read – II Corinthians 7:2-8

Examine –

*Paul defends his apostleship because an apostle had unique authority over the church.*

1. What does Paul command them to do?
2. What three proofs does Paul list for why they should receive them?
3. What negative reason does Paul say he spoke to them?
4. What evidence had they heard before?
5. Paul states that the Corinthians were in their hearts to what two opposites?
6. What two things does Paul say are “Great,” meaning a large amount?
7. What is Paul filled with? What is he exceeding joyful with?

*Paul gives the reasons that he was joyful and comforted.*

8. After they were in Macedonia, what did they not have?
9. Not only did they not have rest, but they also had what “on every side”?
10. What was going on outside of them? Inside of them?
11. Despite all of this, who comforts them? By whom?
12. What is the description of God given at the beginning of vs. 6?
13. What was the second cause of their comfort and joy?
14. What three things did Titus tell them?
15. Ultimately, what did that cause in Paul?

*Paul answers the question why he rejoices in verses 8-15.*

16. How did Paul make them sorry?
17. Does he repent now? Did he repent in the past?
18. How did he repent in the past?
19. Was their sorrow permanent?

Apply –

The Corinthians knew Paul, yet they chose to believe unsubstantiated rumors about him. Do you believe rumors or check their authenticity, choosing to believe the best about people first? When you are discouraged, do you encourage yourself in the Lord?

Remember that God works in all situations. Even though the letter made Paul and the Corinthians sorry, God’s purposes were served. When God allows bad things to happen, do you get your mind fixed on the here and now or remember God is at work.

Weekly memory verse – II Corinthians 9:7

Read – II Corinthians 7:9-16

Examine – *Paul is answering the question of why he rejoices in verses 8-15.*

1. What does Paul not rejoice in?
2. Paul rejoices that they sorrowed to what extent?
3. What manner were they made sorry after? Why?
4. What does Godly sorrow produce?  
*“Salvation” in the Bible can mean spiritual salvation or simply deliverance.*
5. Will this Godly sorrow be repented of?
6. List seven things Paul stated in verse 11 that Godly sorrow developed in them?
  
7. Had the Corinthians approved themselves in this matter?
8. Which two people did Paul not write this for ultimately?
9. Why did he write?
10. About whom did Paul boast to Timothy?
11. Who is “comforted” by the Corinthians comfort?
12. And who “exceedingly the more joyed” because of the joy of Titus?
13. By what was Titus’ spirit refreshed?
14. Is Paul ashamed of his boasting?
15. Did they speak truthfully of the Corinthians?
16. Whose inward affection is more abundant toward them?
17. What remembrance caused Titus’ affection to abound?
18. How did the Corinthians receive him?
19. Ultimately, Paul rejoices in what?

Apply -

Obedience glorifies God and is an encouragement to other Christians, especially leaders.

Under these circumstances, are you an encouragement?

What kind of sorrow do you have when you sin? Do you have Godly sorrow: carefulness concerning your sin, clearing from former sin, indignation (righteous anger) against former sin, healthy fear to not sin again, zeal to live righteousness, and revenge against former sin (readiness to see justice done)? Or, do you have worldly sorrow (sorry you are caught)?

Could your spiritual leaders boast about you? Do you respond properly when corrected?

Weekly memory verse – II Corinthians 9:7

Read – II Corinthians 8:1-8

Examine –

1. Is Paul writing to Christians?
2. What does Paul want the Corinthians to have revealed to them (wit)?
3. Who is that grace bestowed upon?
4. What “great” situation were the Macedonians in?
5. In what 2 things did the Macedonians abound?
6. The Macedonians were giving money even though they were poor.
7. Paul “bears record” of their \_\_\_\_\_ and \_\_\_\_\_
8. Why did they abound to the riches of liberality (last five words in verse 3)
9. How did the Macedonians ask (praying) them?
10. What did he want them to do?
11. By whose will did they do this?
12. What did this cause them to request (desire of Titus)?
13. What is the list of items used to describe “everything”?
14. What is the main thing Paul wants them to abound in?  
*Note: “Abound in this grace also” is referring to Giving.*
15. Does Paul command them?
16. What then does Paul urge?
17. Not only because of the eagerness (forwardness) of others but to prove what?

Apply -

The Grace of Giving was bestowed to the Macedonian Church. Even in the difficult situation they were in, they willingly gave their money because they were willing to give themselves as Christ gave. New Testament giving is not based solely on commands or compulsion but is motivated by the fact that God has given His best (Jesus) and His all (His life) for us. How then could we give anything less back to Him? Compare this to Luke 17:10.

Have you given yourself and your all?

If Christ gave as you give, how would eternity be different for us all?

Weekly memory verse – II Corinthians 9:7

Read – II Corinthians 8:9-16

Examine – *Paul reminds the Corinthians of Jesus' giving to impel them to willingly give!*

1. What did the Corinthians know?
2. Though Paul "was rich" he became what? Why?
3. What resulted for the Corinthians?
4. What is Paul about to do?
5. What does he say this "is" for the Corinthians?
6. How long had they been eager (forward)? When had they begun?  
*The Corinthians had stopped giving because of what the false teachers said about Paul.*
7. What does Paul tell them to do in the beginning of verse 11?
8. As there was "readiness" there also needs to be a what? And out of what will they perform this?
9. What is the "if" statement? Then it will be pleasing (accepted)  
to God according to what? And not according to what?  
Remember: The Corinthians were rich! If a rich man truly gave according to what he had, he would give more than a poor man who gave according to what he did not have.
10. What does Paul not want to happen to other men and to the Corinthians?
11. He seeks what to happen? (vs. 13-14)
12. From what verse in Exodus 19 does Paul quote in verse 15?  
He is reminding them that when God gave the Israelites what they needed in the wilderness, some gathered more and some gathered less. "God gives money as a tool both to live and to give." Some have more, others less. Some can give more, others less.
13. For what does Paul thank God?
14. To whom was the care in Titus's heart directed?

Apply -

Through the history of the church, the people who gave the biggest percentage of their income to the Lord are the poor, but the Bible here tells us that God has given some more so that they can meet the needs of others. Do you waste your extra money (money that you did not need to supply your needs) on things with no eternal value?

Do you give even yourself to God's service?

Weekly memory verse – II Corinthians 9:7

Examine –

Paul continues to tell of Titus' care for the Corinthian church.

1. What did Titus accept?
2. Because Titus was more eager (forward), of whose "accord" did he go?
3. Who did he go to? Who did Paul send with him?

Paul takes the next few lines to describe that man who he sent.

4. In what area was he praised? Who praised him in this?
5. For what else was he chosen?
6. Who administered the grace that Paul references? To whose glory?
7. For what did Paul and his companions wish to avoid being blamed?
8. For what are they providing?
9. In whose sight do they wish this to be done?

Paul tells the Corinthians that he is sending yet another brother with Titus

10. How many men does that take the number up to?
11. How had he been proven diligent in few things or many?
12. What else does Paul say about the "proven-ness" of that brother?
13. On what basis did Paul send this third brother?
14. In whom was the confidence?
15. Who did they ask (enquire) about?
16. What did Paul say he was?
17. Who else was enquired of?
18. What did he say they were? Of what and of the glory of whom?
19. Who is the "them" they were to shew to?
20. Paul told the Corinthians to show them the proof of what 2 things?
21. On whose behalf was the boasting made?

Apply-

Paul explains the measures of accountability for the trustworthy men delivering their collection. Trustworthy Christians with good intentions will welcome accountability to ensure proper standing before God and man. Do you have accountability set up in your life?

How is your attitude about it?

1. Concerning (touching) what did Paul write or not write?
2. To whom was the ministering supposed to be?
3. It was \_\_\_\_\_ for Paul to write to them? Define the word:
4. What does Paul know about them?  
(Remember the word boast now has a negative connotation but it can also has positive meanings: To glory; to speak with laudable pride of meritorious persons or things.)
5. And to whom did Paul boast of them?
6. What was it that he boasted? (Achaia is a name for the region that Corinth was in.)
7. Of whose zeal did Paul speak?
8. What did their zeal do to others?
9. Even though Paul boasts of them, what did Paul still send?
10. What did Paul not want to be in vain?
11. What does Paul not want to happen when the Macedonians come to the Corinthians?
12. Is Paul speaking in the hypothetical here?
13. Because he does not want to be ashamed of the same confident boasting he thought it necessary to do what?
14. Specifically to do what?
15. Did they have notice of it before?
16. Ultimately so that what would be ready?
17. As a matter of what and not of what?

Apply -

Paul boasted or gloried of the Corinthians to the Macedonians. Can people boast about your desires to serve God?

Do you follow through and actually give it?

3. How is he not supposed to give?
4. Is he to give out of compulsion (necessity)? Why?
5. In verse 8, who is doing the action?
6. What is God able to make abound toward you?

God has given what he has given to all men, even “to the poor” and that God’s mercy or charitableness (righteousness) endures forever.
8. What things does the person who ministers seed to the sower do?  
Paul describes the effect on all of the parties involved in this endeavor.
9. Speaking of the Macedonians, Paul says that they are enriched to all what?
10. And what did that cause in Paul and his companions?
11. What did the “administration of this service” do?
12. And was abundant in what? Directed to whom?
13. Because of the “experiment of this ministration” what did the Macedonians do?
14. Unto what? Why? Unto whom?
15. At the beginning of verse 14 they also glorify God by their \_\_\_\_\_ for whom?
16. And what did those prayers desire (long after) for the Corinthians?
17. Who does Paul ultimately thank for all this?
18. For what does he thank Him?

Apply -

Are you a cheerful giver? Do you sow bountifully? When you give do you feel as though God should bless you or that you’ve done some great thing? God will reward us righteously knowing the thoughts and intents of our hearts. We do not deserve that thanks. It is a privilege to give a small part back after He has done so much for us (His unspeakable gift).

*Important note: People were attacking Paul and thereby weakening the church at Corinth. They were emphasizing Paul's outward condition instead of his heart. This was not a clothing issue but rather a physical appearance issue. This has nothing to do with whether someone can minister for God. They also were attacking Paul's apostleship and other things.*

Examine –

1. Both Paul and other people who claimed to know Christ are what?
2. In what could Paul boast?
3. Who gave him this?
4. For what was it to be used?

*We have already established that Paul's authority came from God (Vs. 8), so others should not question why he is trying to minister to the church in Corinth. The word rule in verse 13 has the idea of a province given to someone. Paul clearly has authority over this church.*

Examine –

1. Who gave Paul this “measure”?
2. How far does this “measure” reach?
3. What does Paul not do?
4. When Paul is reaching to them, what is he doing?
  
5. What is he not doing?
6. Paul is not using other men's what?
7. What does Paul have?
8. What is he hoping will increase in them?
9. Who will be enlarged as a result of this?  
\* The word “rule” is used again. Paul wants their faith (giving) to increase so that his “province” can increase. Simply, Paul wants to reach more people with the gospel.

6. Did this prove that Paul did not love them?

7. Who knows the answer to this question?

From last week's study - Paul was defending himself against those with bad intentions.

2. What was not expedient for him to do?

3. To what is he going to come?

Think – This is a difficult passage so you must stay with me on this.

4. Whom did he know?

5. How long ago did he know him?

6. How did he know him? (2 options)

7. Who really knows?

8. To where was he caught up?

**Note** Paul repeats that he is not sure where he had this experience. Most people believe that Paul himself had an out-of-body experience and he is struggling with the reality of it. This was a supernatural (not normal) event. I believe Paul had this experience because he needed to learn or see something. This may have happened when Paul was stoned and left for dead before he got up and walked into the city. (Acts 14:19-20) Some believe that he died and came back to life.

10. Where did he go?

What did he hear?

11. In what would he glory?

12. In what about himself would he glory?

2. How was it wrought among them?
3. What three things prove he was an apostle?
  
4. What did they claim to be in comparison to other churches?
5. What was different about this church?
6. What does this mean?
7. Was Paul right or wrong about this?
8. Paul is ready to come to them for the \_\_\_\_\_ time.
9. What does he not seek?
10. What is he seeking?
11. Who should lay up for whom according to verse 14?  
Stop and think: Paul clearly saw them as his children. This will be demonstrated in the next verse.
10. What will Paul gladly do for them?
11. What does Paul abundantly do for them?
12. What is their response to him?

Apply-

Can you think of someone who loves you that you have not loved back? Love is actions! Have you ever thanked or done something for your mentors or parents?

Take time this week to write a note to your mentors or parents, thanking them for the investment they have made in you or be creative and do something special to thank them.

Weekly memory verse – II Corinthians 13:4

Read – II Corinthians 12:16-21

Examine –

1. What did he not do to them?

**Note** – There are two opinions about the next phrase in this passage: One is that Paul is answering this accusation against him. The other is that he was crafty in a good sense and caught them for their own good. I believe the Greek language tends towards the second opinion.

2. Did Paul himself gain by sending people to them?
3. What two people did Paul send to them?

4. Did Titus gain from them?

Think – These questions seem to be rhetorical questions where the answer is obvious.

**Note** – Another way of saying the first part of verse 19 is “Did we set this defense so we could justify ourselves?”

5. Before whom do they speak?
6. Why do they do all things?
7. What is Paul’s fear?

8. List the eight things that Paul thinks he will find there.

9. What will Paul do to those who are sinning and refusing to repent when he comes?

10. What three sins does he mention here?

Apply-

What are some things that the church does for your edifying?

Are you changing as a result?

Weekly memory verse – II Corinthians 13:4

Read – II Corinthians 13:1-6

Examine –

1. Chapter thirteen appears to actually be what?
2. How is a word established?
3. From where is this quoted?
4. If Paul comes again what will he not do?
5. What were they seeking?
6. When Christ was crucified, he was crucified through what?
7. How does he live?
8. What is Paul also in him?
9. How shall he live?

**Note** – This verse helps us understand verse 3. What they thought was weakness Paul saw as strength.

10. Why were they to examine themselves?
11. Who were they to prove?
12. If Jesus Christ is not in them, then what are they?

**Note** – This word “reprobate” means not standing the test, not approved (properly used of metals and coins), that which does not prove itself such as it ought

10. What does Paul hope they already know?

Apply-

Based on the above definition of a reprobate are you one?

Can you prove that you are in the faith?

Do your actions back up your words?

Weekly memory verse – II Corinthians 13:4

Read – II Corinthians 13:7-14

Examine –

1. What does Paul pray that they won't do?
2. Why does he want this?
3. Why does he not want this?
4. What is Paul to them apparently?
5. What can he do nothing against?
6. Why does he do things?
7. When is he glad?
8. What does he wish for them?
9. If he were present, how would he respond to them?
  
10. He would use this to \_\_\_\_\_ and not to \_\_\_\_\_.
11. What four commands does Paul give them in verse 11?
  
12. Who will be with them?
13. How are they to greet one another?  

Note

 This is the same as shaking hands or giving a hug. Other countries still do this!
14. Who salutes them?
15. What three things will be with them?

Apply-

Paul did not care about himself but only about them. What an example to us. Do you care about others to your own hurt?

Can you say that you are of one mind and in peace with your family, friends, coworkers and so forth?

Remember these are commands!

Weekly memory verse – II Corinthians 13:4

Read – Review

Examine –

Go back to the end of chapter 12 and list all the sins beside the definition of the word

	unbridled lust
	a desire to put one's self forward
	passion, angry, heat, anger forthwith boiling up
	in a moral sense: the impurity of lustful, luxurious, profligate living
	instability, a state of disorder, disturbance, confusion
	illicit sexual intercourse
	a puffing up of soul, loftiness, pride
	secret slandering
	an envious and contentious rivalry, jealousy
	defamation, evil speaking
	contention, strife, wrangling

Apply-

Which one of these do you struggle with the most and why?

What are you doing to correct that in your life?
